

Hit pay dirt: every time you Compost

WE'VE GOT
A GOOD THING
GOING HERE.

Compost. It's an action you can take right in your own backyard. You can buy a bin, make a bin, or simply start a pile. Begin with grass clippings and leaves. Turn it regularly. And before you know it, you've naturally produced rich fertilizer for your yard and garden. To find out more about composting, call the KDHE at 1-800-282-9790.

*A public awareness initiative from your
Kansas Department of Health and Environment*
